# Benefits of Joining

## Monthly Meetings

Each meeting begins with a short business discussion, followed by a demonstration by an artist in a specific medium. After the demonstration, the meeting concludes with the Monthly Creative Challenge and our Artwork Show and Tell.

Our December and May meetings depart from our standard format above. The December meeting is a festive holiday dinner at a local restaurant where we present an award to our Lone Star College Art Scholarship recipient. The May meeting follows our standard format with the exception that we will have a live model instead of a demo artist.

## Public Viewing Exposure

LHAA members who volunteer their time will have the opportunity to have their artwork selected to hang in our scheduled hangings at the Kingwood Library and/or Café du Bois at the discretion of our Community Art Display Chairs.

## Art Shows

LHAA sponsors two local judged art shows each year, one in the fall and one in the spring. All LHAA members are encouraged to participate in our shows. Participation in the show is limited to our members and other LSAG members. Information and entry forms are available online and at our monthly meetings. Winners from our show (1st, 2nd, 3rd and honorable mention) are eligible to enter the annual LSAG show.

## LSAG Membership and Shows

Membership in LHAA entitles you to membership in LSAG or the Lone Star Art Guild. The LSAG is an umbrella organization made up of 18 independent art leagues located within a 200 mile radius of Houston, Texas. Each year an annual convention is held where the winners of all the local member art club shows come together and compete in the LSAG show. More information can be found at LoneStarArtGuild.org
